Keeping Ontario Beautiful

POLLINATOR GARDENING Wednesday February 24, 2016 - 7:30 PM

Join us for our first meeting of the new gardening year! Bring a friend and come early to renew your membership, as well as catch up with old friends, and make new ones! Don't forget to 'lug-a-mug' for coffee or tea while you enjoy some treats.

There has been quite a bit of focus in the media in the last few years on the plight of pollinators in North America. From Monarch butterflies to honeybees, we have been inundated with news, both good and bad. But what can a home gardener do to help? There is a tremendous amount of power in gardening and even though each of us has a small patch of land, the combined efforts of gardeners can have a significant impact.

Ingrid Janssen, a Durham Master Gardener, garden business owner and a BHS member will be introducing you to our local pollinators and explaining the simple things that you can do to encourage and support them on your property.

Our membership dues are still only \$20 per member, or \$30 per family of two (living at the same address). This membership fee entitles you to our yearbook, the quarterly newsletter, great speakers and topics at 10 meetings during the year, as well as eligibility to participate in our flower, vegetable and design competitions. Another great benefit: membership entitles you to a 10% or better discount at many local nurseries, garden shops and other retailers.

A membership form is being emailed to you, or it can be downloaded from our website. Bring the completed form with you to the February meeting. If you can't come to this meeting, you can bring it to a future meeting or mail your form with a cheque payable to *Brooklin Horticultural Society* to: **Leslie Tate**, 30 Erickson Drive, Whitby, ON L1N 8Z4

**Happy 2016 to our returning & new members!
Guests are always welcome!**

THE PRESIDENT'S MESSAGE

Welcome to the 95th year of the Brooklin Horticultural Society! It promises to be an exciting and rewarding year. We have many special events planned to augment our regular season for our members and our Corporate Partners, celebrating our longevity and our Society's commitment to the communities of Brooklin and Whitby.

We have a terrific speaker season ahead of us. With the enthusiastic support of Whitby in Bloom, we are able to invite high-profile well known individuals for our spring series. We will continue to capitalize on the talent within our own Society to share their knowledge in other general meeting presentations. And we are organizing a special and exciting celebration

Saturday May 28	<p>BHS PLANT SALE Donate your plant divisions. Buy new garden plants. Grass Park, Cassels Road East, Brooklin, starting at 9 AM</p>

THE PRESIDENT’S MESSAGE from page 1

for our 95th year anniversary with our September meeting.

This spring we begin our 95th anniversary year events by hosting the **District 17 Annual General Meeting** on April 30th. Eleven other horticultural organizations in Durham Region will come to join us and share our creative talents, the friendship of similar passions, and to elect a District 17 executive. Among the highlights of the meeting will be two very special speakers, taking on the subject of “Humour in the Garden”.

BHS welcomes **John Simerson** to the Board for 2016 and recognizes the long standing efforts of **Aldine and Don Wick** who have retired from the Board, but certainly not from the Society. Aldine served 22 years on the Board as Treasurer. Don continues his role on the District 17 executive. I look forward to their contributions to all of our events, and continue to rely on their talents to help the Society execute its programs successfully.

One of the challenges facing BHS, and many of the other Societies and Garden groups in District 17, is our demographics. It’s a challenge to younger adults to find the time to join with enthusiasm a horticulture group, or explore gardening in depth. Family demands, work and commuting time, and a myriad of sports programs available to satisfy the

body leave little time for engagement in the joy of gardening: choosing, planting, growing and celebrating the magnificent opportunities of the horticultural world.

This year I would like the Society to focus attention and energy on doing those things we do best: **sharing, teaching, participating and providing**. We can **share** our knowledge, expertise and energy within the communities in which we live, and with the programs we support, such as the Brooklin Horticultural Gardens. We will **teach** and educate our members and all those of our community, through those who are professionals, leaders, and communicators in the Horticultural field. We must become a regular and visible **participant** in the cultural celebrations that Brooklin, the Town of Whitby, and other significant service groups offer, demonstrating our range of talents and skills to enhance the richness of our communities. And finally, we must enhance our opportunity to **provide** for purchase and in other means, at our Plant Sale, our general meetings and plant exchanges, high quality, unique and substantial plants. We need to make our Plant Sale a featured and anticipated annual event.

2016 promises to be an exciting 95th year, with lots of opportunity for all to volunteer, participate, attend and enjoy. I look forward to sharing this season with you, at the Brooklin Horticultural Society.

Hans Paats, President

Other Events of Note

Feb 20
10 am - 4 pm

95th ANNIVERSARY!!

September 28, 2016

BHS is hosting a 95th Anniversary celebration in September. This will be a very unique event with special guests and treats. Our guest speaker for the fun-filled evening is local celebrity **Neil Crone**. Neil is an actor and writer. He has performed in dozens of television and radio commercials, TV shows (*Little Mosque on the Prairie*) and is the voice of numerous animation characters every Saturday morning. He's a Second City veteran improviser, host, stand-up comic and winner of a Canadian Comedy Award. In his other life, Neil is an award-winning weekly humor columnist for our local 'This Week' newspapers. His books include *Enter Laughing* and *Semi-Colon*. Neil is a cancer survivor and National Spokesperson for both the Colo-rectal and Colon Cancer Associations. As a motivational speaker, he focuses on the power of laughter in healing.

BHS BOARD OF DIRECTORS FOR 2016

L to R: Denise Carter, Eileen Humphries, Past President Kathy Allam, Faye Collins, Margaret McGibney, President & Treasurer Hans Paats, First VP Jane Austin, Second VP & Secretary Leslie Tate. Absent: John Simerson

NEW BOARD MEMBER - John Simerson

John joined the board in January 2016. As a resident of Brooklin for 19 years, he is the official grass cutter, weed whacker and shovel expert for his wife of 36 years, Mary Ellen. As many of you know, they have a large variety of peonies, daylilies, trees, shrubs and flowers growing on their large rural property. John likes to grow his own vegetables and garlic. Over the years, he has attended many events sponsored by the BHS with

Mary Ellen and finally succumbed two years ago to becoming a member. Starting in March, you will find John in the local Lowes and Home Depot stores answering questions on fertilizer, grass seed and weeds for Scotts Canada. John invites you to ask him any questions on lawn care or visit him in the stores. His experience and knowledge will be a great addition to the BHS board.

Welcome to the board, John!

SPECIAL RECOGNITION FOR ALDINE WICK

Aldine has been a member of the Board for over 25 years and a BHS member for nearly 50 years. Her contribution to the Board as Treasurer extended for 22 years. Her decision to retire from the Board was not her first choice, and the Board will miss her input and her contribution. She will continue to play a part in many of the Society's programs and the general meetings, and we will continue to value her

participation in the Society going forward.

Congratulations & Thanks, Aldine!

OHA Convention, Kitchener

July 29 - 31, 2016

2016 GARDEN DATES

Brooklin Horticultural Society Garden

Join our garden work crews even if it's just for an evening or two throughout the season. And by the way, your spouses are welcome, too. Check the schedule below.

Faye Collins, 905-655-9695

madgardener23@hotmail.com.

See you in the Garden!

Tuesdays from 6:30 PM to dusk:

May 3, 10, 17, 24, 31

June 7, 14, 21, 28

July 5, 12, 19, 26

August 2, 9, 16, 23, 30

September 6, 13, 20, 27

Saturday Sessions:

May 14 - 10:30 to 1PM

June 11 - 1 to 3:30 PM

October 15 - 10:30 to 1PM

October 29 - 1 to 3:30 PM

Whitby in Bloom Speakers

We thank **Whitby in Bloom** for again co-sponsoring well-known speakers for our spring meetings. Please bring a non-perishable food item to donate to the local food banks.

THE NEW CANADIAN GARDENER, Mark Cullen March 23, Seed Swap and Get Growing

Based on the new best seller, Mark's new book *The New Canadian Garden*, Mark explores the changes in methods and attitudes towards the gardening experience over the past generation. He peppers his colourful and fast moving presentation with personal anecdotes, practical gardening tips and over 100 colour images of gardens from across the country. Finally, Mark provides his own look in the crystal ball and speculates on how the Canadian home garden will look in another generation. It promises to be an informative and fun evening...with a surprise or two!" He will be selling his books with a twist - 'a gift with purchase' that he is quite excited about.

SMALL SPACE GARDENING, Paul Zammit April 27, The Narcissus Show

Paul, a graduate of the University of Guelph, is the Director of Horticulture at the Toronto Botanical Garden. He is an energetic and passionate speaker who has presented across Canada

and in the United States, and recently, in Germany, Switzerland and Bermuda. He has appeared both on television and in print. In 2014, Paul lead a 10 day garden and food tour on the island of Sicily. Paul's container designs have also been showcased several times in assorted gardening magazines. Based on his many travels and years of hands-on experience, Paul believes a small garden has large potential. Join him for an energetic presentation where he will share tips and tricks of making the most of small spaces, including growing some tasty edibles.

CONTAINERS - BREAKING THE MOLD

Vicki Taylor-Scott

May 25, The Spring Show

Thinking outside the usual constraints, from one crack(ed) pot to another - the possibilities are endless and the ideas are something to behold. Magazine-worthy to committable offenses, Vicki will take you on a journey that will make you laugh, shake your head or leave you inspired to go home and just break the mold. Vicki always educates but also entertains with her light and humorous presentations.

Save the Date: **July 16, 2016**
Whitby in Bloom Garden Tour

More BHS members enjoying the November AGM & Social

SEED SWAP - MARCH 23

Don't forget to bring your extra seeds, summer bulbs, tubers, rhizomes and cuttings to the seed swap at the March meeting. You'll help out other gardeners and maybe take home some goodies yourself! Remember to label your donations.

Help Save the Bees!

Bees are in crisis and you can help support their recovery with "**Solitary Pollen Bee Nests**". It's easy to do: just place a few solitary bee nests around your garden in early spring and summer.

Now watch for the gentle solitary bees. Be patient because it may take a few weeks for the bees to locate the nests. BHS will be selling Solitary Pollen Bee Nests over the next few meetings for just \$20 including instruction booklets. For more information, go to www.pollenbeenest.com or ask **John Simerson** for more info at 905-655-4927, john.simerson@sympatico.ca.

RECYCLE BOOKS & MAGS

February & March Meetings

Bring in your gently used gardening books and magazines to exchange for some new reading material!

PRUNING DEMONSTRATION - April 26 - 6:30 PM

The **Brooklin Horticultural Society Garden** was established in 2007 and over its nine years has evolved into a garden and green space that represents us and a gathering place for the community...children, babies in strollers, dogs, teenagers, adults of all ages relaxing, reading, coaching kids in pick-up baseball games, and of course admiring our work and asking gardening questions on Tuesday evenings. In a word or two, a working garden, ever evolving.

It's our 95th year as a society and if you haven't visited the garden yet, it's time. And of course you can come volunteer; extra hands are always welcome, or come get some on-site help or advise for your gardening concerns. There is

always a fellow gardener available on Tuesday evenings including a Durham Master Gardener or two who just happen to be part of our regular work crew. Or, come any day and stroll at your leisure, relax and enjoy.

This year we will again kick-off the 2016 gardening season with our 8th Annual Pruning Demonstration on Tuesday, April 26 (rain date May 3) from 6:30 to 8PM. There will be four Master Gardeners on site to show you the hows, wheres, whys and whats of pruning. Everyone is welcome!

Hopefully, you will consider joining our work crew for an evening or two starting Tuesday May 3. **Faye Collins**, 905-655-9695, madgardener23@hotmail.com.

'HUMOUR IN THE GARDEN'

Sat. April 30, Westminster United Church, Whitby

BHS is hosting this year's District 17 AGM on Saturday April 30 at Westminster United Church, 1850 Rossland Road East, Whitby. Cost of attending is \$30 paid to BHS by March 23, or \$35 at the door. (Advance registration is preferred.) Fee includes welcome and break hospitality, lunch, show entry, and speakers. A Silent Auction will be available. Cash or cheques only please.

TRISH SYMONS will be speaking on *The Joys & Hazards of a Large Country Garden*. Speaker, photographer, writer, floral judge and instructor, Trish enjoys teaching classes and workshops, and speaking on gardening topics. On a 166 acre farm on the Niagara Escarpment, she creates between 50 to 100 planters each year for her decks and walkways. She hosts garden tours through her 3 acre garden to help promote diversity and organic gardening.

DAVID HOBSON's topic is *A Look at the Lighter Side of Gardening* - images and stories highlighting the fun and follies of gardeners, from gardening garb and garden pests to garden goofs and garden greats. Guaranteed to be entertaining, even informative. He is the weekly garden columnist for *The Waterloo Region Record* and *The Guelph Mercury*, and a contributor to *Grand* magazine. He is creator of the *Garden Humour* website and the author of two books of garden fiction: *Soiled Reputations* and *Diary of a Mad Gardener*.

Review the Show Schedule on our website for information about entering exhibits to the Flower Show. All photographs for the competition should be forwarded to Mary Ellen Simerson by April 15. www.brooklinhorticulturalsociety.com

We hope that you will join us!
